

SBB Identification Form for IG Bank

Information on the Swiss banks' due diligence agreement

The Swiss banks' due diligence agreement (CDB 16) requires the identity of the client to be verified when establishing banking relationships using a certified copy of identification document (authenticity certificate). This control is used to prove the validity of your identification document.

The SBB Customer Identification service is free of charge for IG Bank customers.

- *Identification may be carried out at all larger SBB Change or SBB Western Union counters. You can find an overview of the branches that offer this service at www.sbb.ch/kundenidentifikation. You will be required to go to one of these branches with this form and an accepted identification document.*

Identification procedure for customers

Information
for SBB
employees

The SBB employee

- Checks the identification provided (validity and photo)
- Copies the pages required: personal details (surname, first name, date of birth, nationality), customer's signature and photograph, and the number and expiry date where applicable.
- Stamps the ID copy with "Originaldokument eingesehen von", confirming that he/she has checked the original document.
- Enters the service in the system as **Prisma article 266 standard customer identification** and credits payment using **pay series 0216 0000 0737** (see voucher)
- Also date-stamps this form and returns it to you with the stamped copy of the identification document. (Only one certified copy is issued per form). The ID copy is now certified.

Note for SBB employees: This service is **free of charge** for customers. If you are at all unsure, please contact the KPZ FDL.

Return the following documents to IG Bank:

- This form
- The signed account opening application
- The certified copy of the identification document
