Quotation	Gold and Silver digital 100s quotations are based on the achievement of specified daily price changes in the specified month of the relevant futures contract on the New York Mercantile Exchange. This change is measured by each day's official settlement level, available after each market closes. The markets normally close at 18.30 (Gold) and 18.25 (Silver), London time.
Expiry	Settled basis the official closing level for the stated contract. For more information, please refer to the "Get Info" tab under the particular product on the platform.
Dealing Hours	Please refer to the "Get Info" tab under the particular product on the platform.
Margin Requirement	The margin requirement for buying a digital 100 is equal to the contract value (which is the opening price multiplied by the contract size). The margin requirement for selling a digital 100 is equal to (100 minus the opening price) multiplied by the contract size.
