## DECLARATIONS

Spread bets and CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. **79% of retail investor accounts lose money when trading spread bets and CFDs with this provider.** You should consider whether you understand how spread bets and CFDs work, and whether you can afford to take the high risk of losing your money.

Professional clients can lose more than they deposit.

I confirm that the Company understands the nature and risks of margin trading via CFDs and the risk associated with investing through a Share Dealing account. I consent to the provision to the Company of the Risk Disclosure Notice, the Margin Trading Customer Agreement and Share Dealing Customer Agreement by way of the IG website and I hereby confirm that I have read and understood these documents and that the Company agrees to be bound by their terms. The company also agrees to IG's Privacy Policy. The Guarantor further acknowledges that IG has no present or future duty or responsibility to provide the Guarantor with any information relating to the financial condition or affairs of the Customer.
10. No failure or delay by IG in exercising any right or remedy shall operate as a waiver thereof nor shall any single or partial exercise of waiver of any right or remedy produce its further exercise or the exercise of any other right or remedy.
11. Each of the provisions of this deed is severable and distinct from the others and, if at any time, one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions hereof shall not in any way be affected or impaired hereby.
