IG DAILY HONG KONG HS50 OPTIONS PRODUCT DETAILS

Quotation	Our spread on daily options depends on a range of factors including the level of the price quotation and the time to expiry.
Expiry	A daily option is cash settled and thus, expires on a daily basis. Settles basis official cash close of HSI Index. Please refer to the "Get Info" tab for more information.
Dealing Hours	<p>24-hour dealing on daily options starts at 07.30 (London time) on Monday and finishes at 21.15 (London time) the following Friday. Daily options can normally be traded from one hour after the previous settlement until one minute before the close of each market.</p> <p>Please refer to the "Get Info" tab on the platform.</p>
Margin Requirement	<p>The margin requirement for buying a daily option is the opening price (or premium) multiplied by the contract value (per point in the underlying market). This is the maximum possible loss on the position.</p> <p>The margin requirement for selling a daily option is equal to the margin required for an equivalent sized CFD in the underlying market, and never more than the margin required for an equivalent sized CFD in the underlying market.</p>
Rollover	Options are not available for rollover, regardless of any instructions held on your account. All options settle basis a predetermined expiry rule. To find out more, take a look at each market's individual information in-platform.
Additional Notes	<p>When you trade in a currency other than your base currency your profit or loss will be realised in that currency and will be booked to your account in that currency.</p> <p>As a default, we will automatically convert any positive or negative balance on your account in a currency other than your base currency to your base currency when your position is closed. You may change this default at any time via our trading platform or by calling us.</p>
